

(zon op om 8:02)

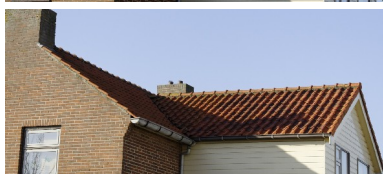

9:13 (minimale schaduw van het huis van de buurvrouw)

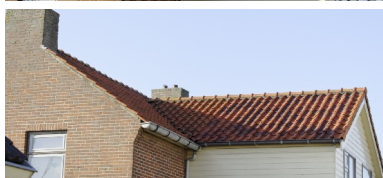

9:59 (onze eigen schoorsteen komt doorwandelen)

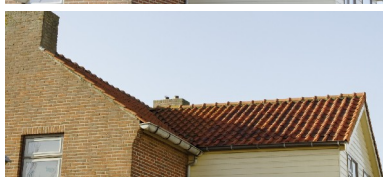

11:03

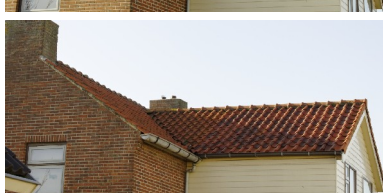

11:52

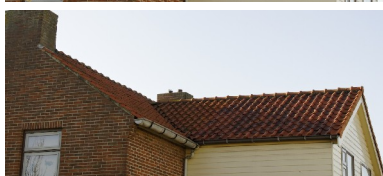

12:30

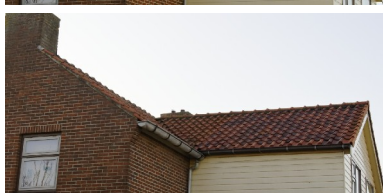

13:00 (nu komt de dakrand steeds hoger)

14:05

14:25 [Dit stuk heeft dus bijna de hele tijd zon]

15:49 (zon onder om 16:53)

voorkant om 9:58; de schoorsteen geeft een schaduw van “twee pannen”)
